ADVANCE TRADE LIST

For The Season 1928-29

A. Willis & Co.

Wholesale Nurserymen

Ottawa - - Kansas

JUNE 12, 1928

On account of the impossibility of forecasting conditions accurately, all prices in this list are subject to change without notice. However, all orders actually booked at these prices will be given full benefit of any lower prices which may be quoted in our regular fall trade list.

TERMS: Regular terms to those of known responsibility; otherwise cash or security before shipment. Orders for C. O. D. shipment must be accompanied by one-third cash. We grant a discount of 2% when payment in full accompanies order. This does not apply to C. O. D. shipments. Packing is charged for at cost in all instances, excepting bulk carload shipments for which we make no packing charge.

SEND US YOUR WANT LISTS. Oftentimes we can quote lower than published prices.

HAVE YOU EVER TRIED THIS?

Every time you set out a batch of hardwood cuttings of Amur River Privet, North, you take a big chance on getting a stand. And if you don't get a stand—blooey! there goes your supply for a whole season. Eliminate the chance element by planting rooted lining out stock. It costs but little more, your stand is assured, and you get larger plants at the end of the season.
